

Auburn Public Library | Dinosaur Fossils!

Children age 5 and older will:

- Learn about, and discuss, dinosaurs
- Learn about the science of paleontology and how specialized tools are used to locate, excavate, and study the fossilized remains of dinosaurs.
- Use tools to uncover fossils from the sand trays!

When

Thursday September 12
4:00 – 4:45 pm

Where

Auburn Public Library
Merriam Room
